beth henley was awarded the pulitzer prize in drama and the new york drama critics circle award for best american play for her first full length play crimes of the heart yet there has been no book length consideration of her body of work until now this volume includes original essays that contextualize and analyze her works from a variety of perspectives focusing on her vexed status as a southern writer her use of the comic grotesque and her alleged feminist critiques of modern society receiving special attention are lesser known plays which are crucial to understanding henley s development as a playwright and postmodern thinker

hobbes's behemoth has always been overshadowed by his more famous leviathan which is arguably his masterpiece and is one of the greatest works of political philosophy behemoth hobbes's booke of the civill warr on the other hand is most often seen as little more than a history of the english civil war and interregnum this volume contains analyses and interpretations of the behemoth the structure of its argument its relation to hobbes's other writings and its place in its philosophical theological political and religious historical context it also explores the implications of hobbes's analysis of the causes of the civil wars of england and of the counsels and artifices by which they were carried on the contributions show hobbes's relevance for today's debates about the decline of sovereignty and the state and the rise of religious and democratic fundamentalisms

the long period from the renaissance to the nineteenth century supplied numerous sources for kierkegaard's thought in any number of different fields the present rather heterogeneous volume covers the long period from the birth of savonarola in 1452 through the beginning of the nineteenth century and into kierkegaard's own time the danish thinker read authors representing vastly different traditions and time periods moreover he also read a diverse range of genres his interests concerned not just philosophy theology and literature but also drama and music the present volume consists of three tomes that are intended to cover kierkegaard's sources in these different fields of thought tome iii covers the sources that are relevant for literature drama and music kierkegaard was well read in the european literature of the seventeenth and eighteenth century he was captivated by the figure of cervantes don quixote who is used as a model for humor and irony he also enjoyed french literature represented here by articles on chateaubriand lamartine and mérimée french dramatists were popular on the danish stage and kierkegaard demonstrated an interest in among others molière and scribe although he never possessed strong english skills this did not prevent him from familiarizing himself with english literature primarily with the help of german translations while there is an established body of secondary material on kierkegaard's relation to shakespeare little has been said about his use of the irish dramatist sheridan it is obvious from among other things the concept of irony that kierkegaard knew in detail the works of some of the main writers of the german romantic movement however his use of the leading figures of the british romantic movement byron and shelley remains largely unexplored terrain the classic danish authors of the eighteenth century holberg wessel and ewald were influential figures who prepared the way for the golden age of danish poetry kierkegaard constantly refers to their dramatic characters whom he often employs to illustrate a philosophical idea with a pregnant example or turn of phrase finally while kierkegaard is not an obvious name in musicology his analysis of mozart's don giovanni shows that he had a keen interest in music on many different levels

including reviews of nearly 1 400 movies this companion is a must have for movie fans who want more than just a capsule

review over 1 million companions have been sold and roger ebert is the only film critic to win the pulitzer prize each review provides the cast credits and star rating for the film the book also incorporates an index that cross references actors directors and movies
